

Smart Business Resource Center - Trinity

Community Coordinator Report

Trinity County

“Trinity County Employment Services Job Club”

Inside this issue:

Trinity County Employment Services Job Club	1
Business Services/ Client Success Stories	2
Drought	3
Services	4

Starting in the month of June, we have piloted the Trinity County Employment Services Job Club to provide Health and Human Services Welfare to Work clients with the tools and skills necessary to find a job, secure a job and keep a job. This 2 week long workshop will run monthly and cover the following topics:

- Career Exploration
- Further Education
- Resumes
- Cover Letters/Thank you letters
- Interviewing Skills
- Master & Online Applications
- Employment Test
- Job Search
- Customer Service
- Job Retention
- Financial Literacy

Each month we plan to have a guest speaker from the community to assist with one of the workshops or to speak on a job related topic. This month we would like to thank Trina Stokley, Branch Manager of Umpqua Bank, who taught the Financial Literacy portion of the Job Club.

Business Services this Quarter

Business Services: 295
Job Center Visits: 290

Worksite Trainings and Youth Work Experience: 6

Drought Grant: 28

Smart is always looking for ways to help our clients get to work and help our local businesses grow. Through Worksite Training, Work Experience, and Internships, we are able to do that. We have helped people find jobs throughout the county and posted numerous jobs for employers. We don't always capture the results of all the people we provide assistance to, however, more and more people thank us and let us share in the joy when they are hired. Here are the statistics for this quarter, for the Smart Center in Trinity County:

Adult Education Block Grant

Shasta Community College is overseeing an Adult Education Block Grant program designed to serve the educational needs of adults & youth, with Cherish Padro as the Project Coordinator. Funds will be administered to education & training programs in Siskiyou, Shasta, Trinity and Tehama Counties. There are seven targeted areas including GED & high school equivalency, adults with disabilities, CTE (Career Technical Education), Re-entry into the workforce, ESL, tutoring training, and pre-apprenticeships. Kim Cobbler, Smart Program Manager, successfully presented to the grant council, comprised of local school superintendents, and Smart was subsequently awarded a \$25,000 grant to be used to assist 20 students in obtaining their GED. Smart supervisors Betsey Ray & Laurie Greig also participated in the project planning.

Federal Drought Grant-Trinity County

Caltrans Drought participants, Tristan and Brittany, spend a day on Main Street in Weaverville cutting back trees.

Joe and Patrick, pictured above, have been working for Lewiston Park Mutual Water Company through our Drought Program installing new water meters for the subdivision.

Trinity Resource Conservation District maintains the historical Moon Lee Ditch which feeds water to the Weaverville Cemetery. The water is collected and used for irrigation around the cemetery. In years past, Trinity RCD would maintain the ditch by removing invasive plants and weeds that would suck up the water before it could reach the cemetery. This year Trinity RCD was able to receive additional funding and with the help of Drought crew members, they were able to install a culvert in the ditch that allows the water to flow more efficiently.
